Commercial Cold Brew System

Model: C4611

This Kit contains

Cold Brew Container | Mash paddle | Stainless Steel Cold Brew Lifter
4 Paper Filters/ Bags | Covering Lid

Brew Up To 2 Kg of Your Favorite Coffee To Yield At Least 8 Liters of Extract
Container Capacity:- 19 Liters

Cold brew is simply coffee that has been brewed with cold rather than hot water and usually involves a long steeping process anywhere between 12-24 hours. All one needs to do is steep coarsely ground coffee in water overnight and enjoy it.
